

DC Report February 2012

Hi all,

The next couple of months are going to be a very busy time for us all, committee, riders and parents alike. Remember to thank your parents/guardians, float drivers, horse holders, gear checkers, jump judges, marshals, scorers etc. etc. when you are out competing. These people all volunteer their time so that you can ride and enjoy the day. Without them running events like our horse trials on February 26th would not be possible. Always greet them with a smile and remember that they will be doing their very best to help you whatever the situation. (And a thank you costs nothing but will mean a lot to the someone that receives it) Allow plenty of time to get through gear check and to do your warm up before your allocated time, this will help you and your horse/pony stay relaxed and be less nervous. Best of luck and I hope you all ride your personal best!!
