

Hi All,

First of all on behalf of committee and members I would like to wish Madeline McCarty and her awesome four legged partner Pancho the best of luck at the State Horse Trials Championships being held on the 4th and 5th of May. Maddy, Pancho and mum Juanita are making the trip up to Deniliquin to compete. Hope you have a great weekend. Take lots of photos, we will look forward to hearing all about it when you get back.

NMZ TEAMS HORSE TRIALS

Yeringberg teams horse trials are on Sunday the 19th of May. I have the following Seville riders interested in competing at this event. Please note that you must supply a volunteer that will be available to help set up dressage rings on Saturday the 18th at 9.30am. We will also need 4 cross country jump judges on the Sunday. There will be a short team meeting at the April rally in the clubrooms just before the start of lunch (end of lesson 2), attendance is compulsory if you wish to secure your place in a team. If you are not attending this rally please email me prior.

JAMES HARVEY-EQUINE DENTIST

Also at this rally James Harvey the Horse dentist will be in attendance and will be checking and treating our horses and ponies teeth as well as giving an informative talk on equine dentistry. Adult horses should have their teeth checked once a year (more often if they are young, aged, or have problems/issues). James is offering the discount rate of \$55.00 per horse on the day which is a substantial saving. To take advantage of this you will need to book your equine friend in with me via email before the rally.

C CERTIFICATE GROUPS

Candidates for the PCAV C certificate will be placed into groups at this rally to start preparing for testing later in the year. Gear check will be with your colour group and then you will move to your 'C' group for the first and second lessons. Please check the groups and rally plan to see where you need to be.

A BIG THANKYOU

As many of you are already aware after 4 years on the committee firstly as Chief Instructor and then the last 2 years as District Commissioner I will be standing down at this AGM. I would like to take the opportunity to thank everyone at the club that has offered me their help and support. It has been a very rewarding experience with many proud moments while watching our riders achieve and progress at every level. I have witnessed them show compassion (both for their wonderful mounts and each other), great sportsmanship, bravery, integrity and determination as well as awesome skills!! I have enjoyed looking on in those times of great success that radiated in their joyous smiles.

THANKYOU ALL XX

My Special thanks go to the following wonderful people-

Wendy Deans, Andre Johnson Clarke, Kay Sandford who always do such a great job keeping up with all the paperwork in the office on rally days and for being able to decipher my frantic gabble and sign language.

Jo Darby for the website and for always being so kind and understanding.

Lisa Tyrrell for the good ideas & great advice, the many long long phone calls, and most of all being able to see the funny side of things with me and share a laugh just when I need it.

Sonya and Steve Cox for your support and for always saying yes when I really needed you to.

To all our committee members including past present and future, if it was not for you the wheels would not turn, thank you.

Last and most important I thank my non horsey boys Nath and Jay who have put up with my absence (both in body and mind) you are wonderful (not to mention now quite independent) young men. But I can't say that the traditional Sunday night take away will be changing anytime soon :) and to my beautiful girl Marlee you make me proud every day, just keep doing what makes you happy <3

All the best everyone, look after you wonderful 4 legged friends and give them all a pat and a head rub for me. Remember always. Stay safe, have fun!

Cheers Tracey
