

DC report May 2012

Getting to that time of the year that really tests your dedication and somewhat questions our sanity! Cold wet and muddy and it seems to have snuck up on us before we knew it. Time to pull out the winter wardrobe and make sure you have your horse/pony happily wearing a good fitting and warm, waterproof rug.

Big congratulations to our State riders that braved the testing conditions and competed at Baxter Park this month. Your club spirit was evident to both myself and spectators, competitors and committee from other clubs and zones. This is something we are very proud of. It defines our club and I hope it continues long into the future. GO SEVILLE!!

Fiona Deacon is organizing another 2 day jumping clinic with Adam Wooten over the next school holidays. This time we have decided to hold it at Adams property in Yarra Junction to take full advantage of his excellent facilities and wonderful indoor show jumping arena. This clinic is open to Seville pony club members only and you will be placed in a group according to your show jump grading. (Limit 4 riders per group). Entry forms will be emailed out to all members shortly. Please note places will be limited and your entry will only be accepted with full payment.

Good luck to all riders competing at Yeringberg teams horse trials on the 20<sup>th</sup> of May. If your not entered this year try and come along to support your club and fellow riders. (Maddens Lane, Coldstream) It is also a great opportunity to see what it's all about and then you might want to have a go next year!

I would like to get a couple of our senior riders that competed at state and Yeringberg to give a rundown of these events over lunchtime at the next rally.

If you can help with this please let me know.

Groups at this rally will be a bit different to usual as we have quite a few riders preparing for their "C" certificate in August. Because of this some groups will be combined over the next couple of months. Please check groups list and rally plan. Thank you in advance for your understanding.

All the best in your horsey pursuits and remember....

Stay safe, have fun!!

Tracey
