

## DC Report – January 2012

Hi all, welcome to 2012, I hope you all enjoyed the Xmas Break.

There is a lot on in the coming months so remember to check the website for events etc. also if you want to get out competing the northern metro zone website has a calendar with all the links to the different clubs. This rally day will see many of our riders off competing at Cockatoo Jump Trials. Good luck to you all.

Riders attending our rally will find a couple of different things on the rally plan. We will be running a flat teams practice for some groups to see if we can get a few teams together for the zone comp in April. If you would like to be in a team or just have a go at this rally and your group is not down to do it, come and see me and I can put you in. There is also an opportunity to put a games teams together so same goes there, just let me know if your interested.

The cross country should have a few new obstacles at this rally as we start to plan and rebuild. If you can offer any assistance in this area let me know it will be greatly appreciated. Also at this rally we will have Rachael Edwards who is our zone chief instructor and examiner. She will be instructing in the morning and taking the senior riders in the afternoon to explain what is involved regarding your 'K' certificate. This will be a great starting point for anyone interested (anyone that has their 'C' certificate) and I highly recommend you take advantage of Rachael's vast knowledge in this area.

Our Horse Trials is fast approaching so remember to get your entries in. Please check your grading cards and make sure they are up to date. If you require grading or would like to be upgraded please let me know via email so I can make a list for the rally.

Also email me for attendance at the twilight rally on Saturday the 25th of February at Wandin Park for those not competing at our horse trials. Cost is \$20 (If you let me know you wanted to attend this rally before Xmas please email me again as the pre Xmas craziness has meant I can't find the list of names I wrote down. Enjoy the nice weather and the last couple of weeks of holidays before school starts again.

Stay safe, have fun Tracey
