Message from the President

Hi everyone,

Here we are in November and hopefully with the dry weather on our side. There is a lot going on so please take the time to read all the information provided.

Rally Planning

We have another fabulous rally organised by Anna Baker our DC and Amanda Wilson our Rally Planner. Anna spends many hours putting the rally together, providing excellent varied instruction and a fun day for everyone. Please advise if your plans change at any time so Anna can try to accommodate you and everyone else's needs. Also please remember that all riders are required for setup. Please be on time for setup at 8:00am and your lessons as courtesy to both your instructors and fellow riders.

Showjumping Championships

Yarra Valley Jump Club are hosting the Prydes Victorian Showjumping Championships at Wandin Park on the 2nd, 3rd and 4th of December. It is always a great spectacle watching the Showjumping elite compete over the weekend & I encourage you to go along & ride or watch. As always Seville Pony Club run Ring 3 on Saturday and Sunday starting at 8:00am and finishing around 4:00pm. This is an unrestricted ring open to all EA, PAV and HRCV riders. Entry is \$10 per ride or \$15 on the day. Go to: globalentriesonline.com.au to enter in advance. I will be looking for volunteers to marshal, crash crew and pencil over the weekend. The club is paid to run this ring so I ask that you consider volunteering for a couple of hours. Please contact me with your availability and lookout for the Facebook post.

Christmas Rally

I know it seems early to mention but our December rally is only 4 weeks away on the 11th of December. This rally is run by our fabulous senior riders and is always a fun day starting with our parade first thing. This year's theme is to dress up as something starting with the first letter of your name. The senior riders have lots of fun activities planned for the day.

President's Messages cont'd

Seville PC Horse Trials

Lots of planning is going on for our Seville Pony Club Horse Trials to be held over the weekend of 25th and 26th of February. This event is one of the first in the eventing calendar and is a great one for our members to participate in. Please keep the weekend free as all members are required to help to ensure the event is a success. Thank you to all that have committed to taking on significant roles so far.

Sporting Praise

A special mention to Lucy Baker for her great sportsmanship at Yarrambat Horse Trials on the weekend of 15th and 16th November. We received a lovely message from another club complementing Lucy on her conduct and sportsmanship. Lucy was leading in her field after dressage and showjumping but an unfortunate stop on cross country left her out of the placings. Lucy approached the rider who ended up winning and congratulated her. Such a show of great sportsmanship displayed by Lucy Baker!

Sawdust Fundraiser

We have 30kg of sawdust available for purchase at the rally for \$10. Please see me if you'd like to purchase on Sunday. This sawdust is suitable for use in your float or stable and is a bargain compared with retail prices

Seville PC Social Media

As you may have noticed Anna has been busy keeping us all informed via the Seville Pony Club Facebook Page. This is a public page set up letting any interested followers know about the Seville Pony Club adventures and particularly our events. Please take a minute to like and share this page as well as our Instagram Account. It will really help attract entries and sponsors to our event. The Seville Pony Club Family and Friends page remains a closed group to keep you informed and helps to organise our very busy club.

Cross Country

Finally, the Cross Country area is now open and safe to use for Seville Pony Club members only. Contact a committee member to obtain the combination for the lock to gain access. Please do not share this code with anyone who is not a member of the Seville Pony Club. The reason for this is that it takes a lot of time and money to keep the grounds safe and in tip top condition for our members. There are also insurance issues should there be an incident and we need to avoid this.

Look forward to seeing you at the next rally

Safe and happy riding!

DC News

At the October Rally we welcomed three lovely new members and they, and their families got straight into the spirit of Seville Pony Club. Four year olds Chloe Bell & Prada and Amala Stokes & Cherokee had a ball in **Red** Group. Isobel Morse and her pony Roxie looked like they had been in **Silver** Group forever and they were especially great in the musical ride lesson. It was wonderful to see the all the new members and families at the showjumping set up. Chloe & Amala are now wing cup experts so be sure to hand them the cups for next set up. Enormous thanks to Amala's grandfather Brian. Many of you may have recognised Brian from the old Glenbrae days. How lucky we were to have him map out a couple of interesting and great showjumping courses in no time. It was also lovely to welcome back senior rider Giorgia Fontana & her new little (nearly 18hh) pony Jimmy!

Seville Pony Club

There is no denying the fun that the **Silver** and **Orange** Groups had in their final lesson last rally with Rachael Edwards pulling together a marvelous and entertaining musical ride. We'll be seeing more of this at rallies and if interest is there we'll look at getting a team together for the PCAV State Musical Ride Competition to be held in November next year.

Some of our riders have been unwell or injured recently & unable to ride. **Black** Group's Tess McCarty, **Green** Group's Olivia Garland, **Orange** Group's Brooke Phelan and **Blue** Group's Grace George are all recovering. Some of our ponies have been away too. **Black** Group & Emily Tyrrell's Mr Apples, **Green** Group & Nicola Johnson-Clarke's Kahaalaa and Adonis belonging to Lara McNally in **Blue** have all been recovering from injury & we wish them a speedy recovery. We look forward to welcoming everyone & every pony back very soon.

Congratulations to the following riders who have competed at these recent competitions again achieving some PB's and places.

2017 PACV State Dressage and Showjumping Championships

The final NMZ State Qualifier for the 2017 State Showjumping Championships will be held at Eltham PC on Sunday Nov, 27. Well done to all our riders who have been attempting to qualify for this as well as State Dressage. The SJ teams will be published by zone soon.

Congratulations to these riders who have qualified for the **2017 PCAV State Dressage Championships**;

Madison Buttolph	My Silver Charm	Grade 1
Madison Buttolph	Henschke	Grade 2, 1st reserve
Kyle Kroeger	Impeccable Timing	Grade 3, 2nd reserve

Congratulations again to everyone who placed and achieved PB's recently and best of luck to all our riders who are going to this weekend's Lilydale & Mooroolbark Super Cross, the NMZ State Qualifying Showjumping and PC Showjumping at Eltham PC, Ballarat PC Horse Trials and Mornington Peninsula PC Horse Trials on November 26/27. It's a busy time and I look forward to receiving loads of photos.

Many of these comps are on our November Rally Day & I thank those that have let me know their plans for that weekend. It makes rally planning more manageable enabling us to provide you all with the greatest opportunities for instruction. As Lisa mentioned for those attending, please remember that set up is part of your rally experience and it is the responsibility of all riders attending to be on time to set up and then on time & in the correct area for gear check and lessons and to be dressed fully in the correct pony club uniform, including saddle blanket.

Last month was a bit chaotic with time and dress, perhaps with the change to summer time, so I trust that you're all over it this month so the rally can run on time and our instructors can give you their very best. Again our instructors in October complemented us on having such a great bunch of riders. Let us keep that reputation by being on time and respectful to them.

After this rally you can keep your uniforms for comps only for the remainder of the year as the **Xmas Rally** planning is well underway. Lead by **Black** Group's **Anna Church** and ably assisted by this year's **Black** and **Yellow** Groups this rally promises to be as fun and exciting as always. Choose something that starts with the same letter as your first name to dress up as and you can do the same for your pony too

Certificates

Congratulations to our **Purple** Group **Miles Baker, Bella Bragg, Ella O'Sullivan and Abbey Walker** who braved the most dreadful weather to successfully complete their C Certificate Assessments at Yarrambat Pony Club recently. It was too horrid to take photos outside! Massive thanks to our brilliant C Certificate Instructors Rachael Edwards and Nicky Mullens who prepared this group. Next up on Feb 11, 2017 the **Pink** Group will complete their C Certificate Assessment at Seville PC (venue to be confirmed). Please note your completed workbooks must be handed to Trish Kroeger by the November rally for marking & return to be eligible to finish the C in Feb.
